

Eydent Workers' Compensation Program Overview

Eydent and the PMA Companies have been working together over the last several years developing Workers Compensation opportunities within several segment specific groups already aligned with Eydent as well as heterogeneous segment and segment specific opportunities.

Eydent and PMA Companies are pleased to announce this excellent marketing opportunity for our entire family of Agents already aligned with Eydent

Target industries for the Eydent Workers Compensation Program include:

- Durable Goods Manufacturing
- Long Term Health Care
- Education
- Food Industry (Manufacturing – Wholesale – Retail)

These are several areas we have significant experience and expertise in underwriting and servicing. These are not the only industries in our appetite, just some identified targets.

Annualized Premiums

- \$ 100,000 - \$ 1,000,000

Additional General Guidelines

- Guaranteed Cost policies
- Zero Deductibles
- Experience and scheduled rating based on state insurance regulatory requirements
- 5 years Loss Runs

In following with the overall Eydent commitment to our Agents, and the Industries they represent, we are proud to provide the knowledge, expertise, and serviceability necessary to offer you and your clients this exciting Workers Compensation opportunity.

I urge you to take the time to present this at your very next sale meeting to determine the opportunities within your agency. If you have any questions please feel free to call me or our Program Manager, Betsy Moore.
